

CERTIFICATE

2021

SmartHead

Accace

FOR THE SUPPORT OF SUSTAINABLE DEVELOPMENT

This certificate is awarded to highlight your commitment and your proactive approach towards the future of sustainable business, and your transparent efforts through your Sustainability Profile on SmartHead. Our cooperation is an effective motivator for other companies, business partners, investors, as well as customers and employees to support sustainability, which we see as fundamental for generations to come. Together, we foster innovation and change.

Veri Osvald
Chief Executive Officer

Dominika Osvaldová
Corporate Sustainability Manager
